invites application for appointment as
D. MIN. TEACHING FELLOW

For the sixth year CTS will appoint a limited number of teaching Fellows to assist the Faculty in its regular four-year Doctor of Ministry program.

We are looking for exceptional men or women who, in addition to seeking further study for themselves, have intellectual and professional competence and experience which will make a creative contribution to the education of others. They will themselves engage in a twelve-month program of study leading to the D. Min. degree.

Each D. Min. Fellow will receive a stipend and is eligible for a tuition grant, the amount of the grant dependent upon need. Applicants must have the B.D. or M. Div. degree and four or more years experience in some form of ministry. Applications must be received before March 15, 1976.
